Glossary of Terms Used in Chart

A. Adult upgrading	<p>Improving or refreshing literacy, numeracy, document use, computer and other essential skills needed for work, learning and life. Literacy means “using printed and written information to function in society, to achieve one’s goals, and to develop one’s knowledge and potential.” Upgrading includes a wide range of training, from basic reading, writing and math to the final prep for college entrance.</p>
B. Instruction Method	<p>Students can receive instruction on a one-to-one basis, in a small group of 2 - 6 people, or in a class of 7 or more people. Class sizes typically vary from 10 to 25 people.</p>
C. Client Goal	<p>A student’s learning plan and instruction is based on the student’s main goal. Activities in the learning plan are determined based on the student’s current skills and knowledge and the skills/knowledge they will need to achieve their goal.</p>
<ul style="list-style-type: none"> • Personal growth & independence 	<p>Upgrading literacy and numeracy skills for personal reasons, such as managing personal finances or health, being able to read to a child or help them with homework, learning to use a computer and the Internet, getting a driver’s license, etc. These are all things that help people in their daily lives and in their community.</p>
<ul style="list-style-type: none"> • High school credits preparation 	<p>Upgrading or refreshing literacy, numeracy and other essential skills before moving on to credit courses to complete the secondary school diploma. Sometimes a student will work on upgrading for one topic while doing credit courses in others.</p>
<ul style="list-style-type: none"> • Post-secondary preparation/ACE 	<p>Upgrading or refreshing literacy, numeracy and other essential skills before moving on to post-secondary programs at colleges, etc. Ontario public colleges also offer a certificate program called Academic & Career Entrance (ACE) - available in French and English. This certificate is recognized as equivalent to a Grade 12 diploma by all the colleges, the Ministry of Advanced Education and Skills Development and by many employers.</p>
<ul style="list-style-type: none"> • GED preparation 	<p>Upgrading to prepare for the General Education Development (GED) certificate, which is recognized as equivalent to a Grade 12 diploma nationally and by employers.</p>
<ul style="list-style-type: none"> • Apprenticeship preparation 	<p>Upgrading or refreshing literacy, numeracy and other essential skills needed to be successful in an apprenticeship, especially the in-school portions of apprenticeship training. This upgrading does not teach technical skills, but can take learning activities from the tasks and activities needed on the job.</p>
<ul style="list-style-type: none"> • Employment preparation 	<p>Upgrading or refreshing literacy, numeracy and other essential skills needed to be successful in getting and keeping a job, or getting a better job. Training includes the “soft skills” needed by all employees. It can also use learning activities from the tasks and activities needed in a particular type of occupation.</p>
D. Francophone	<p>Upgrading services delivered in French. Designed for those who speak or used to speak French as their main language.</p>
